Dear Business Taxpayer:

As a business owner in West Virginia, your business is subject to ad valorem taxes. **You are required under West Virginia law to complete Form STC 12:32C- "Commercial Business Property Return" and return it to our office on or before September 1st.** The filing deadline is established by law and was changed several years ago from October 1st to September 1st. State law allows the Assessor to prepare estimate returns for those businesses that do not respond on time. Those who file late, or who fail to file, will have their taxes based on estimated values, and forfeit the right to challenge erroneous or over-estimated values. Under West Virginia law, it is your responsibility to see that your assessment is properly filed. If you have an accountant to prepare your form, you are still responsible for seeing that this form is filed with our office.

We have prepared this brochure to assist you in fulfilling your obligations as a business taxpayer. Our office is trying to make this process an easier one for the business taxpayers of Preston County.

Again, let me emphasize the importance of meeting the filing deadline of **September 1st**. By filing promptly, you will assure yourself of a fair evaluation, you will avoid penalties and interest, and you will be able to renew vehicle license.

Sincerely,

Connie R. Ervin
Assessor, Preston County

We are here to help you in any way to answer your questions and assist you with the requirements.

Your assessor does not set your property tax; they only determine your appraised value. The county commission, municipalities, board of education and legislators together set the levy rate which determines the amount of taxes you owe.

Do I have to complete all Schedules of the form?

Yes, you must complete ALL SCHEDULES of the return. If they do not apply, list **NONE**. **Do not write "same" on any of the schedules.** If you have not filled in all schedules, your return may be rejected and returned to you for completion. Your signature affirms the information to be correct.

What do I do if my business has closed?

Even if you are no longer in business, you must return the form signed with the date of business closing to have your account deleted from our records.

What do I need to send in with my return?

Corporations and partnerships are to submit a balance sheet as of June 30 each year. Sole proprietors are to submit a Schedule C from their prior year income tax return.

Businesses are to submit a depreciation schedule and an asset listing of all machinery and equipment, furniture and fixtures, with **year acquired and purchase cost.**
