Property Class & Levy Rates

Class II *All property owned, used & occupied by the owner, exclusively for residential purposes, & farms used & occupied by their owners or bona fide tenants.*

Class III & IV *All real and personal property other than Class II located outside a municipality (Class III) or within a municipality (Class IV).*

***Be sure to verify that your property is in the right tax class.**

Current levy rates and a calculator for estimating your taxes are available on our website @ preston.wvassessor.com under the [Online Services](#) tab.

Your assessor does not set your property tax; they only determine your appraised value. The County Commission, municipalities, board of education and legislators together set the levy rate which determines the amount of taxes you owe.

WHERE DO YOUR TAX DOLLARS GO?

Approximately 55% of property tax dollars go to schools and education if you live in a district. County government gets approximately 40%, which is used to support the courthouse, regional jail, and various services such as: Economic Development, Health Department, Animal Shelter & Animal Control, Emergency Services, and Social Services. The remainder goes to the state and fire departments. Municipalities set their own levies with that revenue going to each of the municipalities.

HOMESTEAD EXEMPTION

If you are 65 years of age or older on or before June 30 following the July 1 assessment date, or you are permanently and totally disabled, you may file for the Homestead Exemption in the Assessor's office. This would exempt you for the first \$20,000 of the assessed value of your home. You should **file when you are 64** to be sure you do not miss the **December 1** deadline.

FACTS ABOUT PRESTON COUNTY

- Formed in 1818, named in honor of James Patton Preston
 - Area equals 653.88 square miles
 - 2020 Population — 34,216
 - 2024 Population — 34,055
